

Oscar Barstool/stool (MO-301-BGN-Bar)

Specification

Item	Seat Height	Overall Height	Width	Weight	Seat Depth
MO-301-BGN-Bar	30"	46.5"	16"	14 lbs	16"

Benefits

- A superior stacking system allows the chairs to nest in one another, against Felt Patches rather than Bare Metal
- Reduces scratches during handling and storage by adding non-moving rubber stopper.
- The chairs are stackable to 8 high.
- Additional colors available upon request.
- COM cushion and customized color is available.

Features

- Chair has Powder Coating plus clear coating to protect surface better (Custom colors available)
- Chair seat, legs, and frame are made of actual 1.2 mm, 18 gauge steel construction.
- The legs have protective rubber feet that prevent damage to indoor flooring.
- Removable back to make it a regular stool or Bar seat. (Optional)
